

Comprehensive Sexuality Indoctrination

HOW CAN YOU STOP IT?

- 
- **Pay attention to the papers coming home.** READ THEM! Sometimes we get busy and toss them to the side. Know what they are bringing home!
 - **Be on a FIRST name basis with your school board members.** Have them on speed dial! Go to the meetings. Make sure they know you by FIRST name.
 - **Know your child's teacher.** Know the curriculum.
 - **Keep your local churches informed.** Pastors are busy. Help them know what is happening in their community. They can provide you with an army of people to stand with you in a time of crisis.
 - **Don't be afraid to speak out.** This is a hard politically charged topic. You will be called a hater and bigot. When you are... speak louder. Look at your children and remind yourself why you MUST speak out.
 - **Ask your children what is going on.** Listen to them. Educate yourself to the current lingo (it changes often).
KNOW IT!

Finally... remember Joshua 1:9 Have I not commanded you, Be strong and courageous. Do not be afraid. Do not be discouraged. For the LORD your God will go with you wherever you go!
